16 July 2018

Appointment of Chief Operating Officer

Augusta Capital is pleased to announce that it has appointed Joel Lindsey as Chief Operating Officer. Augusta welcomes the depth of experience in real estate investment management in both New Zealand and the United Kingdom that Mr Lindsey brings, having worked in London for 11 years.

Prior to his return to New Zealand, Mr Lindsey worked at Aviva Investors where he worked his way from Analyst to Fund Manager and ultimately held the position of Senior Director – Real Estate. In that position, he was responsible for management of the £4 billion Aviva Life & Pensions real estate investment portfolio, which was the UK's largest unlisted property investment fund at the time. On his return to New Zealand, Mr Lindsey has worked at Panuku Development Auckland and was, until recently, the Head of Business Development and Project Director. He started his career at Trust Investments in Auckland in the late 1990s.

Mr Lindsey will commence his appointment with Augusta on 23 July 2018.

Mr Lindsey replaces Guy French-Wright who is returning to Australia to lead Augusta's partnership and investment opportunities there. He will also continue to be a director of the Augusta Industrial Fund.
